

Amendments to the Claims:

This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

1-48 Canceled.

49. (New) A shaving apparatus comprising:

a first shaving unit including a first outer cutter and a first undercutter cooperating together, said outer cutter being mounted in a frame;

a skin agitation member;

a housing; and

a drive source mounted in said housing and coupled with said first undercutter to provide oscillatory movement with respect to said frame of said first undercutter in response thereto at a first frequency, and being coupled to said skin agitation member to provide oscillatory movement of said skin agitation member at a second frequency lower than said first frequency to agitate the skin under the first shaving unit.
